

Will after his decease, I sent the
original to my sister M^{rs} Carter

O Eternal and ever blessed God! I des-
sire to present myself before Thee with
the deepest humiliation and abasement
of soul, how vile how unworthy such a
sinful worm as I am to appear before
the holy Majesty of Heaven, The King of
Kings, Great Lord of Lords! especially
on such an occasion as this, come to
enter into a covenant transaction
with Thee, but these infinite condes-
cension hath offered it by thy Son, and
thy Grace hath inclined my heart to
accept it - I come therefore acknow-
ledging myself to have been a great offender
writing on my heart now saying with
the humble Publican "God be Merciful
to me a sinner" I come invoked by the
name of thy dear Son, and wholly trusting
in his ~~divine~~ most perfect Righteousness

be Mine; this day I with the utmost solemnity
Surrender Myself to Thee, and I con-
secrate all that I am, and all that I
have to be used entirely for Thy glory,
and resolutely employed in obedience
to Thy commands. Oh Lord! let me be
washed in the Blood of Thy dear Son!
Let me be clothed with His righteousness,
Let me be sanctified by His Spirit!
Transform me more and more into His
image! impart to me through Him all
needful influence of Thy purifying, cheering
and comforting Spirit, and let my life be
spent under those influences, and in
the light of Thy gracious countenance,
My Father and My God! — And
when the solemn hour of Death comes,
may I remember Thee Thy Covenant, as a

in that for his sake thou wilt be merciful
to my unworthiness, and wilt pardon & remember my
sins - believe I beseech thee, thy exalted
nature, who is now convinced of thy right to him,
& desires nothing so much as that he may
? Mine; this day I with the utmost solemn-
ity surrender myself to thee, and I con-
? vicate all that I am, and all that I
? use to be used entirely for thy glory,
or resolutely employed in obedience
thy commands. Oh Lord! let me be
washed in the blood of thy dear Son!
? Let me be clothed with his righteousness!
? Let me be sanctified by his Spirit!
transform me more and more into his
image! impart to me through him all
? edful influence of thy purifying, cheering
? comforting Spirit, and let my life be
entirely under those influences, and in
? light of thy gracious countenance, as
? Father and my God! - Amen

My desire, though every other hope and
enjoyment is perishing - and O thou
O Lord! remember it too! - look down
with pity O Heavenly Father! on thy
Languishing, dying Child, put strength
and confidence into my departing Spirit
and receive it to the abode of them that
sleep in Jesus, peacefully and joyfully
to wait the accomplishment of thy
promise to all thy people, even that of a
glorious Resurrection, and of eternal
happiness in thy Heavenly Presence
And if any of my dear children shall
when I am in the dust, meet with
this Memorial of my solemn Transac-
tion with Thee - May they make the
engagement their own, and O Lord!

Sleep in Jesus, peacefully and joyfully

tion with Thee — May they make the
engagement their own, and O Lord!
do thou graciously admit them to
partake in all the blessings of thy love
brought through Jesus the Great Mediator
of it. — As thou wilt Thee O Father! and
the Holy Spirit, be everlasting praise
ascribed by all the Millions who are
now saved by Thee, and by all those
other celestial Spirits in whose work.

Practice, that arms the mind, for every ill.
 Has taught me how to bear afflictions weight,
 He that can bravely bear, the woes of life,
 Seems safe and steady through a sea of strife,
 But he who shoves, his hopes, to find his grief
 Embosoms languish and averts relief
