

12 QUEENSBOROUGH TERRACE,
W.

July 10. 1871

My Darling S.

Gertrude has not a
minute to write. She is going to
Crawley by the 3.15 train. I follow
on Friday. I can't bear my huge
parish alone. But I hope to be able
to stay Friday night. I have asked
Gertrude to try & arrange that the
funeral should be about 5 on Friday.

Do not grieve - I mean - too much
